SAN JOSE, Calif., Aug. 03, 2020 (GLOBE NEWSWIRE) -- Align Technology, Inc. (NASDAQ: ALGN) makers of the Invisalign® clear aligner system and the iTero® imaging systems, today announced an agreement with the National Football League (NFL) to make the Invisalign brand the Official Clear Aligner Sponsor of the NFL. Through this agreement, the Invisalign brand will connect with doctors, patients, and consumers through an extended network of NFL sponsored channels and support a variety of community initiatives championed by NFL Clubs – including youth focused programs. This agreement builds on Align's previously announced Club sponsorship agreements with the New England Patriots and the San Francisco 49ers and expands the Invisalign brand's "Official Smile" designation to 11 individual NFL Clubs.

Commenting on the agreement, Align Technology Vice President and General Manager of the U.S. Frank Quinn said, "As the 'Official Clear Aligner Sponsor of the NFL,' the Invisalign brand is thrilled to join an exclusive group of brands that exemplify the commitment to excellence of the NFL Shield. To date, Invisalign clear aligners have transformed more than 8 million smiles around the world. Together with the NFL, we look forward to creating new experiences that expand recognition of in-office, doctor-delivered clear aligner treatment that can help transform smiles and change lives."

Raising awareness and generating interest

The Invisalign brand will be featured in multi-media advertising during the NFL season as well as in the off-season, including in-doctor's office marketing available to help drive patient interest, as well as various league level events and activations to further push demand and raise awareness of doctor led orthodontic care. Invisalign clear aligner patients will have the opportunity to support their favorite Club with officially licensed NFL Club-branded aligner cases, which will be made available for all 32 Clubs. The officially licensed NFL Club-branded cases will be available for purchase on InvisalignAccessories.com and at participating Invisalign provider doctor offices.

"We're thrilled to welcome Align Technology and its Invisalign brand to our family as the Official Clear Aligner Sponsor of the NFL," said Renie Anderson, Chief Revenue Officer & EVP, NFL Partnerships. "By teaming up with this leader in digital dentistry, our players and fans alike will have access to information and resources on how to connect with a doctor to discuss potential treatment options. Plus, our fans in Invisalign clear aligner treatment can support their favorite team with special NFL Club-branded aligner cases."

Dentists and orthodontists who use Invisalign aligners will have the opportunity to access NFL branded assets to help them engage and connect with consumers to drive demand for in-office, doctor delivered treatment. Information will be made available in the second half of 2020.
