

Align Technology is a publicly traded medical device company engaged in the design, manufacture and marketing of the Invisalign® system, the world's leading invisible orthodontic product, and the iTero® Intraoral scanning systems and services. Align Technology went public on the NASDAQ market under the trading symbol ALGN in January 2001.

## Align Technology Announces National Sponsorship With Life Time

September 5, 2019

*Premier brands join forces to promote the benefits of health and wellness and a better smile with Invisalign® clear aligners*

SAN JOSE, Calif., Sept. 05, 2019 (GLOBE NEWSWIRE) -- Align Technology, Inc. (NASDAQ: ALGN), makers of the Invisalign clear aligner system, announced today it is a national sponsor for the premier healthy lifestyle brand Life Time. This sponsorship is part of Align's \$120 million annual commitment to raise consumer awareness of doctor directed Invisalign clear aligner treatment for better smiles.

Over the course of the three-year agreement, Align will sponsor two of Life Time's largest in-club events including:

- 60day: a national weight loss/transformation challenge
- Commitment Day: Life Time's January 1 movement to inspire a healthy year ahead

Align will also title sponsor regional events, including:

- Turkey Day 5K in Minneapolis
- Turkey Trot 5K in Chicago
- Life Time Tri Series
- Torchlight 5K Minneapolis
- Chicago Half Marathon and Chicago Spring Half Marathon
- Sarasota Half Marathon
- Miami Marathon and Half Marathon
- 305 Half Marathon

"This is an exciting collaboration between our companies, given our shared focus of helping people improve their health and well-being," said Frank Quinn, vice president, Americas Marketing and Business Innovation, Align Technology. "Our new role as Life Time's official smile partner opens new doors to share the health benefits of a beautiful smile with people of all ages."

Invisalign clear aligners are the most advanced clear aligner system in the world. Made with Align Technology's patented SmartTrack® material, Invisalign clear aligners help patients achieve the smile that they want with greater predictability and comfort<sup>1</sup>.

To date, Invisalign clear aligners have been used by over 7.2 million people worldwide, including over 1.7 million teenagers<sup>2</sup>, and can treat a broad range of all orthodontic cases from the simple to the complex.

With more than 140 athletic resort and spa destinations, over 105,000,000 annual club visits and 30+ athletic events across North America, this partnership will provide Life Time's 2 million members and beyond with numerous opportunities to connect with the Invisalign brand.

"There are many milestones on our members' healthy way of life journeys," commented Kimo Seymour, vice president, Life Time Media and Events. "With this agreement, we're making it easier for people to recognize that dental wellness, in the form of a straighter smile, which in many cases can improve self-confidence, is completely within their reach."

### About Align Technology, Inc.
