

Align Technology to Host Investor Day on September 6, 2023

June 15, 2023

TEMPE, Ariz.--(BUSINESS WIRE)--Jun. 15, 2023-- Align Technology, Inc. (Nasdaq: ALGN), a leading global medical device company that designs, manufactures, and sells the Invisalign® System of clear aligners, iTero™ intraoral scanners, and exocad™ CAD/CAM software for digital orthodontics and restorative dentistry, announced today that the company will host an in-person Investor Day on Wednesday, September 6, 2023, beginning at 1:00 p.m. Pacific Time.

Meeting Schedule: The in-person meeting will take place between 1:00 p.m. – 5:00 p.m. Pacific Time, followed by an evening reception.

Location: The event will be held in advance of the Invisalign GP Summit at the Bellagio Hotel in Las Vegas. Advanced registration will be required for on-site attendance. For those unable to travel, the meeting webcast link will be posted to the Align investor relations website. The company will send a follow up communication with a registration link for the Align 2023 Investor Day.

A replay of the webcast will be available after the meeting on Align's website and will remain on the website for approximately three months following the event.

If you have any questions, please contact Investor Relations at investorinfo@aligntech.com.

About Align Technology, Inc.

Align Technology designs and manufactures the Invisalign® System, the most advanced clear aligner system in the world, iTero™ intraoral scanners and services, and exocad™ CAD/CAM software. These technology building blocks enable enhanced digital orthodontic and restorative workflows to improve patient outcomes and practice efficiencies for over 243 thousand doctor customers and is key to accessing Align's 500 million consumer market opportunity worldwide. Over the past 25 years, Align has helped doctors treat over 15.1 million patients with the Invisalign System and is driving the evolution in digital dentistry through the Align Digital Platform™, our integrated suite of unique, proprietary technologies and services delivered as a seamless, end-to-end solution for patients and consumers, orthodontists and GP dentists, and lab/partners. Visit www.aligntech.com for more information.
