

## Align Technology to Host Investor Day on May 6, 2025

April 2, 2025

TEMPE, Ariz.--(BUSINESS WIRE)--Apr. 2, 2025-- Align Technology, Inc. (Nasdaq: ALGN), a leading global medical device company that designs, manufactures, and sells the Invisalign® System of clear aligners, iTero™ intraoral scanners, and exocad™ CAD/CAM software for digital orthodontics and restorative dentistry, announced today that the company will host an in-person Investor Day on Tuesday, May 6, 2025, beginning at 10:00 a.m. Eastern Time, and will also be available via a live audio webcast meeting link that will be posted to the Align investor relations website.

To register to attend the live audio webcast or to attend in person, please click [here](#). Space is limited so in-person attendance is for institutional investors and sell-side analysts. After you register, you will receive more information including hotel location and the tentative meeting agenda.

A replay of the audio webcast will be made available within 24 hours following the meeting on Align's website and will remain on the website for approximately one month following the event.

If you have any questions, please contact Investor Relations at [investorinfo@aligntech.com](mailto:investorinfo@aligntech.com).

### **About Align Technology, Inc.**

Align Technology designs and manufactures the Invisalign® System, the most advanced clear aligner system in the world, iTero™ intraoral scanners and services, and exocad™ CAD/CAM software. These technology building blocks enable enhanced digital orthodontic and restorative workflows to improve patient outcomes and practice efficiencies for over 271.6 thousand doctor customers and is key to accessing Align's 600 million consumer market opportunity worldwide. Over the past 28 years, Align has helped doctors treat over 19.5 million patients with the Invisalign System and is driving the evolution in digital dentistry through the Align™ Digital Platform, our integrated suite of unique, proprietary technologies and services delivered as a seamless, end-to-end solution for patients and consumers, orthodontists and GP dentists, and lab/partners. Visit [www.aligntech.com](http://www.aligntech.com) for more information.

For additional information about the Invisalign System or to find an Invisalign doctor in your area, please visit [www.invisalign.com](http://www.invisalign.com). For additional information about the iTero digital scanning system, please visit [www.itero.com](http://www.itero.com).
